NIEM IN CANADA

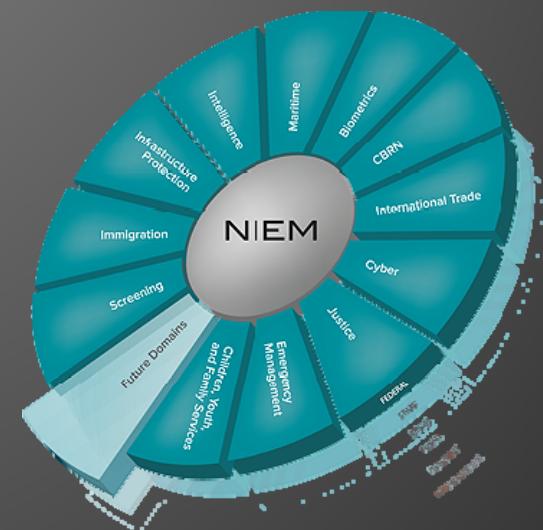

NIEM adopted by Canada, across domains

- Meets Canada's needs
 - Extendible where we are different
 - Mature Data Model
 - Groundswell
-
- Simplifies partner & vendor buy in
 - Enables cross border information exchanges
 - Saves Implementation Time & Effort

CANADIAN NIEM GOVERNANCE

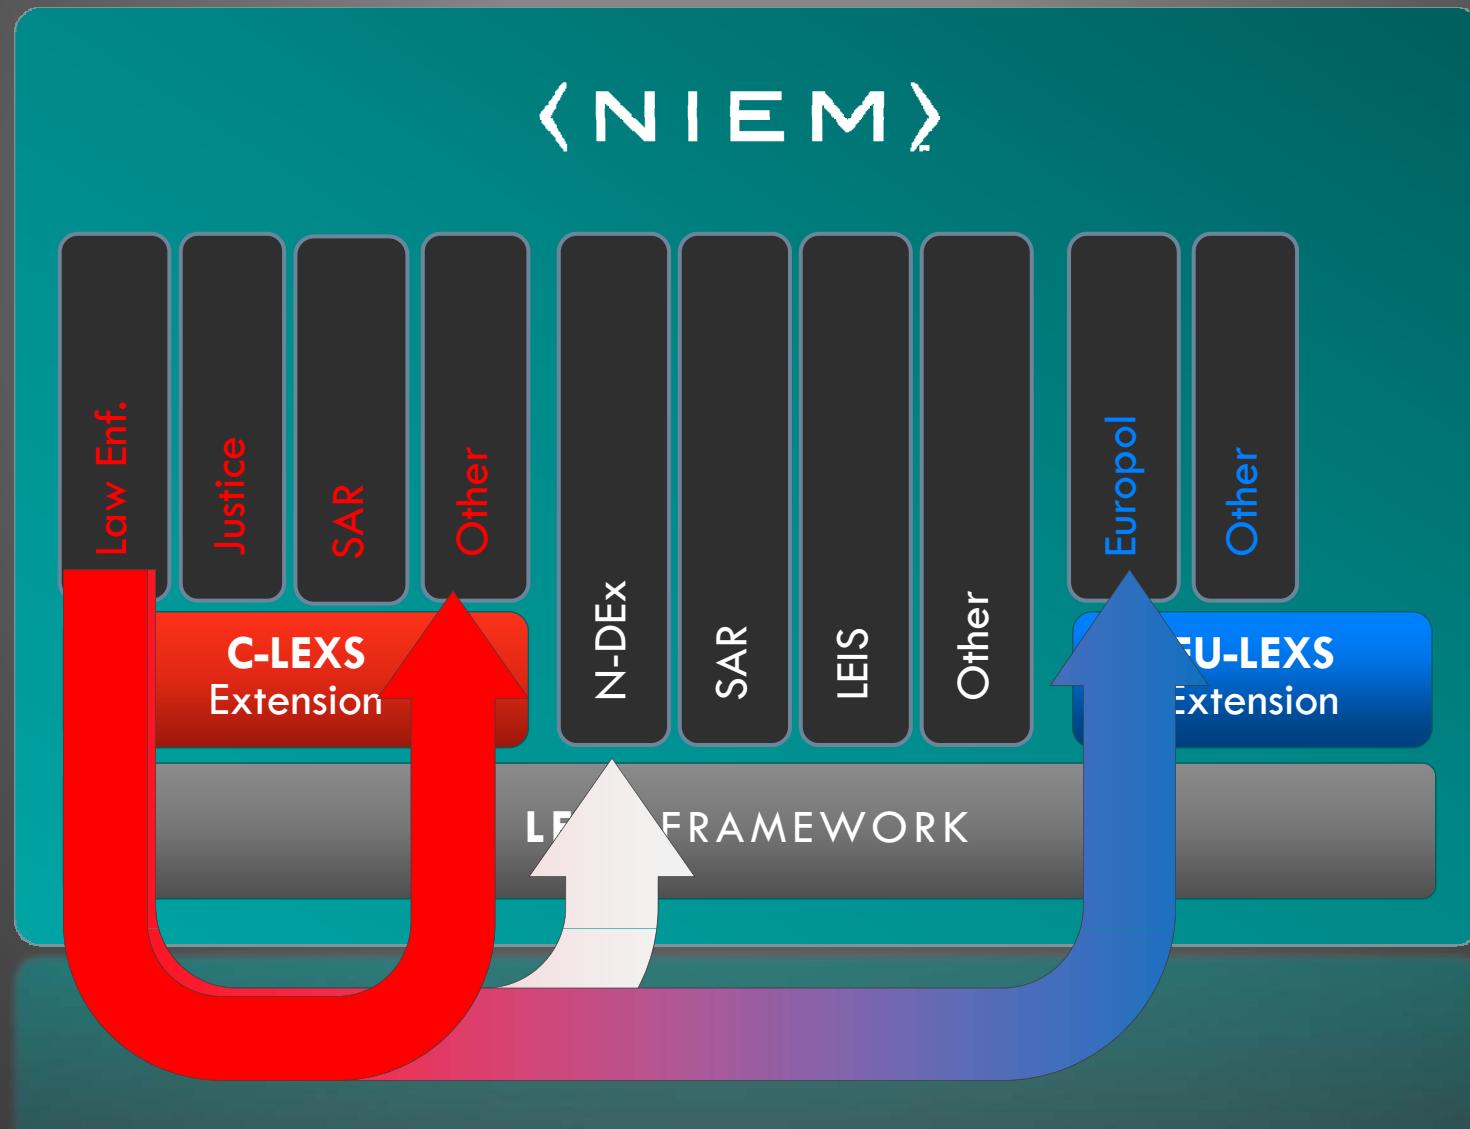

- NIEM Domain governance is solidified in the US
- Looking for more input within NIEM governance
 - Within each domain
- Canadian governance focus on exchange standards
 - e.g. Canadian Law Enforcement Exchange

CROSS BORDER EXCHANGE ALIGNMENT

- Value in specific Exchange alignment
 - Law Enforcement
 - Justice
 - Health
 - Etc.
- *Requires Alignment on Information Model & Exchange Models*

PROPOSED INTERNATIONAL JUSTICE APPROACH

THE CANADIAN VISION

- Move forward with NIEM
- Leverage agreed to exchange models
 - LEXS for Justice
- Create Extensions only where different
